INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Sir:

You claim the right to share in the distribution of the Eastern Cherokee Fund through your father and your mother, who you state were Cherokee Indians. The name of your father, Su-wa-la, who you state was enrolled with the Eastern Cherokees in 1851, does not appear on the roll of the Eastern Cherokees made at that time. It is, therefore, necessary that you give the correct name under which he was enrolled in 1851. Was your mother, Nancy, enrolled with him at that time? Give the names of your relatives who were enrolled with them in 1851.

Were any of your ancestors ever enrolled with the Old Settlers?

Please reply promptly and refer to No: 15955 .

App. No. 15955

February 10, 1908.

Wilson Cameron,

Tauhillau, Oklahoma.

Sir:

You claim the right to share in the distribution of the Eastern Cherokee Fund through your father and your mother, who you state were Cherokee Indians. The name of your father, Su-wa-la, who you state was enrolled with the Eastern Cherokees in 1851, does not appear on the roll of the Eastern Cherokees made at that time. It is, therefore, necessary that you give the correct name under which he was enrolled in 1851. Was your mother, Nancy, enrolled with him at that time? Give the names of your relatives who were enrolled with them in 1851.

Were any of your ancestors ever enrolled with the Old Settlers?

Please reply promptly and refer to No. 15955.

Very respectfully,

H'W/WEA

Chief Clerk.

You are advised that the applications for participation in this fund have not been taken up for final consideration, and we cannot state at the present time whether or not Mr. Benson is entitled to share in this fund, or how much each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

In reply I beg to state that I will be unable to take up this claim out of its order. It appears from a preliminary examination that he claims through Billie and Matt Bando. The rolls of the Eastern Cherokees fail to disclose either of these names.

You state that one of his necessary witnesses is now nearly one hundred years of age. I would suggest that you secure from this witness a full affidavit setting forth in detail his knowledge of the grandparents of the claimant, and the facts and circumstances which will go to prove that these grandparents, or one of them, was associated with the Eastern Cherokees at the date of the Treaty of 1835-6 and 1846, and were recognized members of the Eastern Cherokee band at that time.

Madam:-

Replying to your letter of August 23, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not you are entitled to participate in this fund, or how much each successful claimant will receive.

As there are already over 36,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

MLC.

Special Commissioner.

My name is Minerva F. Faulkenberry. I live at 379 Mariatta Street, Atlanta, Ga. I was born in 1870 in Lawrence County, Miss. I claim Cherokee Indian blood through my father he was born in about 1820 in Lawrence Co., Miss. I claim through my father's father. His name was Philpin. I don't know his given name. He was born in Va. and came to Miss. when a young man. I never heard of my father or grandfather getting any money or land from the Govt. on account of his Indian blood. I don't know the name of the tribe. They were known as Cherokees. He and my lawyer talked the matt r over, and he said it was Eastern Cherokees. My father was living in Miss. in 1851. I have studied Indian history and I know that I must be Cherokee Indian from what I studied.
My father never lived anywhere else than in Miss. My grandfather never lived any place after he came to Miss. as a young man.

SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,

EASTERN CHEROKEE ENROLLMENT,

601 OURAY BUILDING,

WASHINGTON, D. C.

Sir:

Replying to your request for a blank application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, you are advised that under the order of the Court of April 29, 1907, all applications were required to be filed on or before August 31, 1907.

It is therefore now too late to file applications except on behalf of minor children, persons of unsound mind, or persons under some other legal disability.

Very respectfully,

GUION MILLER,

Special Commissioner.

referred to above, as there is nothing here except your letter, which is unsupported by affidavit, to show that you have such a child, who was living on May 28, 1906.

Very respectfully,

Special Commissioner.

Mrs. Anna B. Hinman,
Las Animas,
Colorado.

Madam:

Replying to your letter of January 3, 1910, you did not make any mention in your original application of a child who would be entitled to share in the Eastern Cherokee Fund with you, and we had no information in this office that would lead us to the enrollment of your child, until your letter of January 3, 1910/

The rolls have been completed and my report on exceptions to the roll has been made. You failed to file any exception to the report, and I very much fear that it is now too late for anything to be done in behalf of your said minor child.

If you care to do so you might forward an affidavit, made by two disinterested persons, who know you and your child, who will make oath as to the exact age of your child and that she is now living.

While I believe it is too late to have the child enrolled, still there might possibly be a chance and of course the child could not be enrolled without such an affidavit as

The name Ben See does not appear on the Roll made at that time. If he was enrolled as you state, he must have used an Indian name. Kindly furnish us with that name. Dear Sir:

Some time ago, I received a notice from you stating that I was on the Eastern Cherokee Emigrant Roll, under Number 15975. I regret very much that these papers have been lost, and I am of the opinion that they have fallen into an other parties hands. Now I would like very much to have you send me a duplicate letter stating that I am on the roll lest this other should at some time bob up and the party in possession of said letter might draw my share of the money.

Please let me hear from you at an early date.

Very respectfully,

Harriett Callaway, after being first duly sworn, deposes and says:

I am a Cherokee Indian. I am 53 years of age. I have never gotten any Cherokee Indian money. Ten years before the war I lived in Illinois I think. I was born in East Tennessee. Do not know what county. I left there when I was two years old. I claim my Indian blood through my father. He was born in East Tennessee. He had a tolerable good education. He was a voter, I think. If he ever got any Indian money from the government I know nothing of it. He died in Illlinois. I came here from Illinois about 18 years ago. I filed an application for land before the Dawes Commission but never got any land. My father's father was the Indian. I never saw him.

Dear Sir:

Replying to yours of recent date in fx reference to my rights to participate in the distribution of the Eastern Cherokee fund will say; Question one, my father was living in Illinois in I85I, he left Tennasee when I was quite small to come west and steped in Illinois, Second, I am very old and my memory is not as good as it should be and I do not remember what my grand father's name was for sure but I believe it was either Jess or Thomas,am not sure of this, for my parrents never told me of my relation as they should have done, if they had it would have been of some importance to me now; Question three,my grand parents were not living in I835, therefore could not have been enrolled in I835.

As I have stated above, I do not know but little of my people, and if I have a brother or sister, or an uncle or aunt living I do not know any thing of them, I had an uncle, John Ferguson, who was killed in Ft.Gibson by a man by the name of Thornton years ago, about the comencement of the Rebellion, and he is the only one that I have any knowledge of; My father's name should be on the roll of I835, and I believe I was born about that time my name should be on that roll also,unless my father scouted or kept out of the way to keep from being enrolled as a great many did, so I have been informed; I can neither read or write, and I have no family history of my people, therefore can't tell any thing about my people more than I have stated above.

Dear Sir:

The applications of Mrs. Harriet Callaway No. 15977 and Albert Callaway No. 33742 were rejected on the ground that the ancestor had removed to Illinois in 1837 and that no connection with the Cherokees is shown. There is no reference to any testimony.

I call your attention to the fact that the removal of the ancestor to Illinois in 1837 is not of itself sufficient to authorize the conclusion that these parties were not connected with the Eastern Cherokees, and request to be advised of the evidence upon which this rejection was based.

Yours respectfully,

Sir:

I am in receipt of your letter of July 28, 1909, relative to the application of Mrs. Harriett Callaway, No.15977, in which you state that this claim and that of Albert Callaway were rejected on the ground that the ancestor had removed to Illinois in 1837, and that no connection with the Cherokees is shown.

By reference to the report it appears that the grounds stated in your letter, to-wit, that the ancestor had removed to Illinois in 1837, is not the ground upon which the application was rejected. It appears that the ancestors of this claimant were not enrolled with the Eastern Cherokees. That she was refused enrollment by the Dawes Commission. The applicant claims through her father, who was a voter. It is true that the statement is made that the parents removed to Illinois in 1837. That is only significant to the extent that if these parties were Cherokee Indians, associated with the tribe at that time, and contemplated removing that they would have been much more likely to have moved with the tribe to Indian Territory than to have branched off into Illinois.

It appears from the record that Mrs. Callaway was examined and her testimony appears on page 3613.

ADD. No. 15982

James Barnes being first duly sworn, deposes and says:

I am 46 years of age. I was born and raised in the Cherokee .Nation, Sequoyah District. I am enrolled by the Dawes Commission and got my land. I have gotten all the Cherokee payments so far - the bread and strip payments. I never received benefits from any other tribe. I never associated with any other tribe of Indians. I got my Indian blood from both sides - my mother and father. William Barnes was the name of my father. He is dead. If he were living he would be 75 or 80 years of age. My father was enrolled in 1851, according to the Dawes Commission, because they dais that he was enrolled. He drew Emigrant money. My father's name on the roll is W. M. Barnes. I suppose he lived in Tahlequah istrict in 1851. Tom Barnes was the name of one of my father's brothers. I never heard of any other brothers. Susie, Peggy, Watty and Nancy were sisters of my father. Susie was the oldest. My mother's name was Charlotte Gafford. My mother's side were Old Settlers. Peggy and Watty were Emigrants. My grandfather, John Barnes, was an Old Settler. Tom was an Old Settler too. Susie was an Old Settler. My father came here and then went back and came with the Emigrants. It is my understanding that my father came West with his father, Johnny and that he, my father returned to the East and then came out with the Emigrants with Peggy and Watty. My father was older than Peggy but I don't know whether he was older than Watty. My grandmother was named Temple Barnes. I don't know whether she came out West here with my grandfather or not. I think Temple was a white woman and that she was an Old Settler. Temple was living in 1851 - think she died at the beginning of the Civil War. She was never married to any other man than Barnes that I know of. I drew Old Settler money through John, Tom, Susan and Nancy. That's how I know that they were Old Settlers. I have no brothers and sisters older enough to have been on the 1851 roll, unless it was brother John. Think he was born about 1849 or 1850. My grandfather when he came here lived on the ~~x~~ line between Tahlequah and Flint Districts. I know that my ~~x~~ grandfather was an Old Settler, for as I said above, I drew Old Settler money through him. I also know that my mother's people were Old ~~Settlers~~ Settlers. My father claimed to be a half-breed Indian. (Witness knows nothing of any separation of John and Temple. Thinks they lived together always). I don't know whether Peggy, Wattie and William lived with other members of the family or not. In 1851 I think William lived in Tahlequah District. I don't know whether my grandfather lived there or not. I never saw my aunts, Peggy and Wattie. (Flint O. S. 30.)

App. No. 15982 - James Barnes.

Claimant's mother enrolled as an Old Settler in Flint District #30, and claimant admits in his application and in testimony previously taken, that his mother's side were Old Settlers. His maternal grandmother and uncles and aunts are enrolled in Flint #105 O. S. Roll. Claimant states in his application that he has an aunt named Peggy and one named Wattie, and he gives his father's name as W. M. Barnes. The inference is that his father's first name was William. Wattie, William and Peggy Barnes are found in Tahlequah District, Drennen Roll, #286. On the original roll, Wattie Barnes signs a receipt for herself, William and Peggy.

Ascertain if claimant's grandfather, John Barnes, and grandmother, Tompie Barnes, both claimed Indian blood, and if so, if John Barnes was an Old Settler and Tompie an emigrant.

There is a John Barnes and Thomas Barnes on the O. S. roll, Flint 31, and a Susan Barnes, Flint 32 - Tom and Susan evidently being brother and sister of claimant's father.

Find out just when Tompie Barnes died and whether or not she ever came West. Also find out as nearly as possible, the names of all the brothers and sisters claimant ever had, and the dates of birth and death of each. If any of them were married in 1851, what their married names were. It is possible that John Barnes was an Old Settler and Tompie was an Emigrant and was either married again in 1851 or died before that time, and that of John and Tompie's children, William, Peggy and Wattie preferred t o be enrolled on the Emigrant side, and Thomas and Susie and their father, John (grandfather of claimant) were enrolled on the O..S. Roll.

If possible, get some right old Indian or inhabitant who knew claimant's father and can testify either that he was an Emigrant or an Old Settler or that John Barnes was an Old Settler, and that Tompie Barnes was an Emigrant. Get a full and complete history

(over)

of the whole family. Findout how much Indian blood claimant's mother claimed, also his father, and then compare the degrees with claimant's on the Dawes Commission Roll and see if it tallies up.

App. No. 15982 -

February 11, 1908.

James Barnes,

Warner, Oklahoma.

Sir:

You claim the right to share in the distribution of the Eastern Cherokee Fund through your father, W. M. Barnes, who you state was enrolled with the Eastern Cherokees in 1851. His name does not appear on the Eastern Cherokee Roll made at that time, neither does the name of your grandfather, John Barnes, appear on the Chapman Roll of 1851. It is, therefore, necessary that you furnish us with their Indian names. If they were enrolled at that time, as you state, they must have used Indian names.

Is your mother a white woman, an Indian, or a negro; if a negro, was she held as a slave, and, if a slave, was she owned by white people or Indians?

Please answer promptly and refer to No. 15982.

Very respectfully,

Special Commissioner.

H-S/TT.

No. 15982

James Barnes, after being first duly sworn, deposes and says:

I am 45 years of age; was born in Sequoyah District. I claim my Indian blood through both my mother and father. I really do not know where my mother and father were born but suppose they were born in North Carolina. I got my information for the rolls of the Dawes Commission. I have drawn Old Settler money. About seven years ago I got my mother's, grandfather's and uncles share. I claim Immigrant money through my father. X I guess my father was an Immigrant as he was on the roll. I am a Cherokee alottee and my number is 5454, I think. My father was William Barnes and my mother Charlotee Barnes. John Barnes was my grandfather. My father drew in 1852. My mother was an Old Settler. The Dawes Commission told me my father's name appeared on the Old Settler Roll and also on the Immigrant Roll.

I am the guardian for Susie Buffington. Her parents were both Cherokee Indians. Her father was Dave Buffington and he is dead. I don't believe he was living in 1851 - he wasn't born at that time. Soah-klo-los-skee was the name of the child's grand-father, the father of Dave. I don't know whether her grandfather was known by any other name or not, nor do I know where he lived in 1851. Webster married Di-yan-ih in or about Tahlequah. Katy was the name of a sister of Di-yan-ih. I don't know the names of the parents of Di-yan-ih. Ah-coo-yeh was the name of another of her sisters. I don't know anything about Che-caw-na-lah. Di-yan-ih had no other name that I know of. Charlotte Raincrow was the name of the mother of this child, Susie Buffington. She is living. I don't know why this child does not stay with her mother. Her mother gave this Susie to me when she was a small ~~xxxx~~ baby. Jim Raincrow was the father of Charlotte. ~~xxxxxxxxxxxx~~ Jim Raincrow had a brother named Ar-chil-la. Oo-dah-dih was another brother. His English name was John. Joe was another. His Cherokee name was Dah-lo-suh. Gah-sa-he-lih was Jim's father. Arch was another brother of Jim Raincrow. I-yor-ka was a sister of Jim. Susan was the name of another sister. App. No. 16003

February 12, 1908.

Martha McDowell,

Campbell, Oklahoma.

Madam:

You claim the right to share in the distribution of the Eastern Cherokee Fund through your father and your mother, Noah and Jane Still. Were they enrolled with the Eastern Cherokees in 1851; if so, give the names used by them in enrollment. Neither of these names appear on the roll of 1851; if they were enrolled at that time, they must have used Indian names or names other than these.

Were any of your people held as slaves; if so, were they owned by white people or Indians?

Were any of them ever enrolled with the Old Settlers?

Please reply promptly and refer to No. 16003.

Very respectfully,

Special Commissioner.

Dear Sir..

In reply to your letter of Feb. 18th. regarding my application for participation in the funds appropriated for Cherokee Indians. The reason my grandmother never had the names of her children enrolled was due to her sensativeness. She was indignant that they were received any thing from them enrollment. The reason I was never enrolled was the same as my parents. Grandmother taking no interest in the matter. My grand parents on my mothers side names were, Wilbain Bramon Susan Jordan Bramon. On Fathers side, C. P. Jenks, Hannah B. Jenks. Grandmother Susan Jordan Bramon was enrolled by her mother with the other children. Great grandmother was enrolled under the

name of Annis Hyatt. & her married
name Annis Jordan. Their names
are on the old records at Murphysboro. ½
Their Agent name was Col Dedrick.
The first we knew we were entitled
to share in the abbrokation was
when my-grand mother's brother
Noah Jordan, who took sides with
the North ashlied. for a pension.
It was then discovered our family
was entitled, to some money. This
brother looked his claim and
received his share. He wrote my
grand mother about it but she
refused to pay any attention as
she thought nothing would come
of it. This brother lived at Woodstock
Cherokee Mills Ga. Whether he
is alive or not do not know. as we
have heard nothing from him in
years. And all correspondence had
with him relative to this at air
was ceased ab. None of the people
were slaves. They lived for yeares
in Cherokee, Ga. This answers your
questions as well as I am able to,

The affiants should state how they gain a knowledge of the facts to which they testify

I knew James Russell Wm Russell and Elijah Russell the Uncles of Hannah R Fowell and Sarah E Simmons applicants for Eastern Cherokee Funds Nos. 16032 & 16036 These men always claimed to part Eastern Cherokee Indians. Their hair their skin and their features showed them to be plainly marked with the Cherokee Indian blood and type. They were commonly known among the people as part Eastern Cherokee Indians. I know of my own knowledge that a great many of the Eastern Cherokee Indians who escaped to the mountains and were left here in this section after the Cherokees were removed west of the Mississippi River, intermarried with the whites and they have a great many descendents here now

I further declare that I have no interest in said case and I am not concerned in its prosecution.

Addie Lowen, after being first duly sworn, deposes and says:

I am 36 years of age; was born in Indiana. I claim Cherokee and Pottowahamie Indian blood. I claim my Cherokee blood through my father, Rehard McDaniel. My father's mother was a quarter Cherokee and my grandfather, Richard McDaniel was one-half Cherokee and one-half Pottowatamie. I made application for land before the Dawes Commission but have never gotten an allotment. My husband was a Delaware. My child is enrolled as a Delaware. My husband is dead. I think my father was born in Ohio. His mother and father came from North Carolina. My father came West about 1885. He never got an allotment nor any Indian money. I lived with my grandmother, Matilda until I was nine years of age. My mother was a French Creole. None of my ancestors were negroes.

Special Report in reference to #16041 et al. REJECT.

Claimant claims her Indian descent through her mother, Judy E. Chastain nee Watts and her grandfather, William Pleasant Watts or Pleasant Watts. Claimant and her sister, Cynthia A. Brought (App. No. 20233) herewith et al, made application to the Commissioner of the Five Civilized Tribes for enrollment with the Cherokees, and her application was denied, for the reason that "It does not appear that any of the ancestors to whom they trace their Cherokee descent, have been enrolled as a citizen of the Cherokee Nation". (See copy of decision of court in case of Cynthia A. Brought et al vs. Cherokee Nation).

It would appear from the findings of the Special Master and affidavits furnished in the case by old Cherokee Indians and others, that claimant's grandfather, Pleasant Watts, was a son of Joseph Watts, and that Joseph's father was named John Watts. It would also appear that John Watts had a brother named Thomas, and that Thomas Watts has a daughter still living named Polly Terrell who has filed application herein #3635 and is an admitted claimant. However, this applicant (Polly Terrell) nowhere in her application mentions Joseph Watts as her uncle, and it is very doubtful that they are related at all. However, none of claimant's direct ancestors appear on any Cherokee roll, and the copies of affidavits furnished and testimony in this case nowhere identifies any of claimant's direct ancestors as parties to the treaties of 1835 and 1846.

Claimant's sister testifies (Miscel. Test. 3648) that she nor her mother nor grandfather never received land or money from the government by reason of their Indian blood, and the only thing that she states to show connection with the tribe is that her great grand father signed the treaty of 1805. She states she does not know whether any of her ancestors had anything to do with the treaty of 1835.

It would appear from all the evidence furnished, that if any of claimant's ancestors ever were members of the Cherokee tribe, they had ceased their connection with them long prior to 1835 and were not recognized members of the tribe at that time or thereafter.

T. W. Wright,

Washington Loan and Trust Building,

Washington, D. C.

Sir:

You have filed in this Office the Eastern Cherokee Application of Alice James, of Fairland, Oklahoma.

Filed with this application is the report of the Special Master in Chancery, in which the judgment of the United States Commission rejecting this case is affirmed and the application of the claimants to be enrolled as citizens of the Cherokee Nation was denied. The report says:

> "It does not appear that any of the ancestors through whom they trace their Cherokee blood have ever been enrolled as a citizen of the Cherokee Nation."

The name of John Watts does not appear on the Cherokee Roll of 1835, nor does the name of William Pheasant Watts appear on that roll, although they must have been living at that time; neither does the name of Juda E. Watts, nee Chastain, the mother of the applicant, appear on the Eastern Cherokee Roll of 1851.

This application, as well as that of Cynthia A. Brought, represented by Chester Howe, will stand rejected, unless you are able to submit more definite and convincing proof in regard to applicants' Cherokee ancestors.

Very respectfully,

F.C./E.

App. #16042.

July 1, 1907.

Joseph W. Brown,
Cliff,
Indian Territory.

Sir:-

Your letter of June 23, 1907, relative to your application for participation in the Eastern Cherokee fund, is at hand.

You are advised that the applications have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, an abstract of which is herewith inclosed, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 26,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

A supplemental application blank is inclosed and if you have any minor children you should fill out the application and file in this office.

Very respectfully,

WTC

special commissioner.

App. #16044.

July 1, 1907.

S. E. Bullard,

Mead,

Indian Territory.

Sir:-

Your letter of June 23, 1907, relative to your application for participation in the Eastern Cherokee fund, is at hand.

You are advised that the applications have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, an abstract of which is herewith inclosed, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them. As there are already over 26,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

There is no charge made for examining these applications and your application will be taken up in its regular order, and if there is any further information required in connection with the claim you will be duly notified.

#2--S. E. Bullard:

A supplemental application blank is inclosed, herewith, and if you have any minor children you should fill out the same in their behalf and return to this office, if you wish to have their applications considered.

Very respectfully,

Special Commissioner.

Sir:

You claim the right to share in the distribution of the Eastern Cherokee Fund through your mother, Syneth Bullard, nee Barnes, who you state was a full-blood Cherokee Indian.

State why your grandfather, Jerry Barnes, was not enrolled with the Eastern Cherokees in 1835. Where did he live at that time?

Why were you not enrolled with the Cherokees in 1851?

Were you held as a slave; if so, were you owned by white people or Indians?

Please reply promptly and refer to No. 16044.

Sion E. Bullard being first duly sworn, deposes and says:

That I am 76 years of age. I claim my Indian descent through my mother; my father was a white man. My wife is a white woman. My mother was born in N. C. but I don't know what county nor what part of the state. My mother was perhaps born about 1790. She died in 1848. In 1832 my folks started West and stopped in east Tenn. This was my father and mother and grandparents. They stopped along about Dekalb and Warren Counties and stayed there in Tenn. until they died. They lived there among the Indians - they lived there with the Indians, in fact. I came to Texas from Tenn. in 1853. I have been here in the Territory 14 years ago. There were still Indians there in Tenn. when I came to Texas and I lived there with them. I don't know whether I or my mother or grandparents were ever enrolled. I nor my parents never received any land or money from the government by reason of our Cherokee blood. I applied to the Dawes Commission for enrollment but did not get anything on account of not having sufficient evidence. My mother claimed to be a full blood. We never had any other name. My mother went by the name of Bullard in 1835. Susan Mitchell, my niece, married a white man.

Clerk of Court of Claims

Dear Sir.

In the case of Sion E. Bullard Eastern Cherokee No 16044, in which Commissioner Miller Special Commissioner, rendered decision on May 28th 1906 or (1909) and upon which the order of June 10th 1909. from your office allowed said claimant to file exceptions before Aug 31st 1909. I would respectfully ask of you, the reasons given by Special Commissioner Miller for his adverse decision.—

Sion E. Bullard is a very old man incapacitated in a great degree to attend to this matter properly.

There is no doubt about his Cherokee blood but it appears that his case has been sadly misrepresented

2

ex negligences by those persons em-
ployed by them to care for his
case.

Sais Bullard passed in my
hands yesterday evening the ruling
of your Court of July 10th. And I shall
endeavor to keep him if possible.

If I learn what the deficiency
in his proof presented, I will see if
it can be produced.

Is there among his papers in
your office an affidavit signed by
an aged Indian by the name of
George Wilkerson who knew the
Barnes (antecedents of Bullard through
his mother)?

Sais E. Bullard had a copy of said
affidavit but how it must now.

If you have such a paper or how
it may, would it be in provision for me
to see it?

3/

I know nothing about the case except what he showed me yesterday, and I am merely doing ministerial act in typing & keeping time —

And summarizing, if I can find out why the case turned down, I will see if he has proof that women re-instate claim or not and if case file the proofs required of the case previous claim or throw up the sponge and let them & quit.

Reasons: Claimant was born in 1841 and claims through his father, whom he states was born in Overton county Tenn (See Misel Tes 361.) which is a hundred to 150 miles removed from any Cherokee domain as constituted in 1835 and 46. It would appear therefore that if claimant's ancestors were ever connected with the Cherokees they were not members of the tribe in 1835 and subsequent thereto. You claim the right to share in the distribution of the Eastern Cherokee Fund through your father, Stephen Breeding, who you state lived in Tennessee in 1851. If he was enrolled at that time, as you state, he must have used a name other than Stephen Breeding. What was his Indian name? Give all the names of your family who were enrolled with him at that time. Also give the correct name used by him in enrollment. Why were you not enrolled in 1851? Sir:

In regard to yours of Feb. 13th No. 16045, I will say that the name was made through the Indian name of Horn, & if My father was enrolled it was by that name I suppose. The Family was enrolled in 1835 & again in 1851 by the name of Horn. His Grandmothers name was Sallie Horn, his Mothers name was Lettie Horn, I suppose if he enrolled at that time

he evidently used an Indian
name, I am a Cate decendent
therefore can not give a complete
record of the fainily as there
are but few relatives that I
know. I suppose the correct name
used in enrollment would have
been Horn as they used no
English names. Only as "Hearns
& Spinnes". My grandfather lived
in Georgia on Shoemake Creek,
some others of family lived on
Snake Creek. Suppose I was
not enrolled because I was only
ten years of age & had an
English name. Grandfather Horn
lived on Shoemake Creek in Georgia
in 1835 & was enrolled at that
time by the Cherokees.

Dear Sir:

In re No. 5139, James E. Gatlin.

Correspondence in office files shows the following:

Application was made to the Cherokee Council but refused; also before the Dawes Commission, like result. Applicant then went before a U. S. Court at Muskogee and proved his Cherokee blood, but lost out under Judge Springer's decision. Father's name was James T. Gatlin and an uncle by the name of John Gatlin, who went to school at Tahlequah, and drew money as Indians in the year 1856. Applicant says that he has cousins who have proven up their claim in the Cherokee Nation and are now enrolled therein, etc.

William R. Pack,

Morris, Oklahoma.

Sir:

You claim the right to share in the distribution of the Eastern Cherokee Fund through your great-grandfather, Smith Pack, who you state was a Cherokee Indian. Why was he not enrolled with the Eastern Cherokees in 1835 or in 1851?

Why were you and your father, John Pack, not enrolled with the Cherokees in 1851?

Were you held as a slave; if so, were you owned by white people or Indians?

Do you claim any Indian blood other than Cherokee?

Were your parents Old Settlers or did they share in any payment to the Old Settlers?

Please reply promptly and refer to No. 16050.

Very respectfully,

Special Commissioner.

No. 16050

William R. Pack, after being first duly sworn, deposes and says:

I am ~~xx~~ 64 years of age; have been told I was born in the Cherokee Nation West. I claim Cherokee Indian blood through my father. He was born in Alabama. I do not know what part. I have never gotten any Indian money from the government. I lived among them, was recognized and voted but when the strip payment was made, I was counted out. In 1852 I was living in the Cherokee Nation near Tahlequah. I was about 14 years of age at the beginning of the war. ~~W~~ If I got any money before the war I do not know anything about it. My father did not return from the war. My grandfather raised me. He was a half breed Cherokee. He went to Missouri and died there. My people left Alabama in 1835. My father spoke the Indian language. My father was recognized and went to tribal councils. I also went to Tribal Councils and voted with the Indians. I never drew any payments at all. If my father ever drew any money, I know nothing about it. After they went to Missouri, my father denied being an Indian. Lewis Hicks knew my father in Alabama. He is a full blood Cherokee Indiann. He lives near Braggs Station, Okla.

Dear Sir:

In re No. 16050, W. R. Pack.

Correspondence with this claimant shows that he failed to state in his application the following facts:

His uncle, Jerry Pack, and aunt, Elizabeth Pack, on roll of 1835.

It also appears from the correspondence that applicant made application to the Commission for enrollment, probably under the act of June 10, 1896. Also that applicant's great grandfather, Wood Pack, on the rolls of 1835. It appears that applicant had moved to Encina, New Mexico, and therefore was not able to appear in response to a notice sent to him that testimony would be taken in Okmulgee, Okla.

Please consider this in connection with the above application.

Very truly yours,

My name is Elisia Ann Jeffreys and I reside at Town Creek, Lawrence Co., Ala. I was born in Franklin Co., Ala., January 25, 1856. I claim relationship to the Cherokee Indians through my father, Coleman Cenner. I do not know how much Indian blood my father has in him, but I was always told that I was a quarter Cherokee Indian. My grandfather was Henry Cornelius Cenner. My father was born in North Carolina, I do not know which county. My father died in Franklin County in the year 1887 and was about 76 years of age when he died. I know nothing about my grandfather, I never saw him in my life, and I cannot tell how much Cherokee blood he had. To the best of my recollection my father came to Franklin Co., Ala. four or five years prior to his marriage, which occurred about 1855. My father never received any money from the Government and was never enrolled as an Indian, and I do not know whether my grandfather was. This is all I know in reference to the matter. My grandfather lived in North, but I cannot say what county. My father never visisted the Indians to my knowledge, nor did any ever visit him.

My name is William Taylor Sullivan and I reside at Town Creek, Ala. I am appearing in this case as a witness for Elizia Ann Jeffreys. I have known Mrs. Jeffreys ever since she was born. I am sixty-one years of age and can remember Mrs. Jeffreys' father, Coleman Conner, since 1854. I never knew Henry Cornelius Conner, the grandfather of Mrs. Jeffreys. I have often heard Coleman Conner and his brother, Columbus Conner, often say that they were half-blood Cherokee Indians. At the time that I met Coleman Conner in 1854 we were living in Franklin Co?, Ala. and Coleman Conner was living there some time previous to that. I never heard ColemanConner say where he came from or talk anything about his father, except that he was a half-blood Cherokee Indian. I never heard hi.. say anything about having been enrolled as an Indian, nor of ever having received any money. I never heard him say that he ever visited the Indians and I never knew of any Indians visiting him. I have never seen any Indians of any character. This is all I know about the matter.

App. No. 16055 February 13, 1908.

Mary Saddler,

Ardmore, Oklahoma.

Madam:

You claim the right to share in the distribution of the Eastern Cherokee Fund through your father and your mother, who you state were both of Cherokee blood. Why were they not enrolled with the Eastern Cherokees in 1851? Also state why you were not enrolled at that time.

Were any of your people Old Settlers or did they ever share in any payment to the Old Settlers?

Do you claim any Indian blood other than the Cherokee?

Were you or was your mother enrolled with the Freedmen?

Please reply promptly and refer to No. 16055.

Very respectfully,

Special Commissioner.

Mary Saddler being first duly sworn, deposes and says:

That I am 61 years of age. I claim my Indian descent through both parents. My father was born in the East, in Cherokee somewhere - Tennessee, I think. Don't know where my mother was born. My father was 52 years old when he died. He died about 1862. I am not sure about this, however. My mother died in 1861 and was about 45 years old. My folks came West a long time before I was born. They came to a place here in Oklahoma near Verdigrew. My parents both lived with the Indians as members of the tribe back where they came from and since they came here too. I did not apply to the Dawes Commission, because I thought I was already a citizen. My children went to the Cherokee Indian schools. Don't know whether my parents ever received anything from the government or not. I lived with the Indians as a member of the tribe. My father married a white woman the second time and she would not let my father tell us of our Indian blood because she was ashamed of it. Don't know my father 'smother's name. Don't know my mother's parents' names. Don't think that my father had any brothers and sisters. I never received any money or land from the government by reason of my Indian blood. My husband is a white man. I am recognized as an Indian in the community.

Some Indian related to me had land sold by

Dear Sir:

16055-1400-S

In re application No. ~~16155~~, Mrs. Mary Saddler.

The Office files of this claimant show that she was married in the Cherokee Nation, according to the Cherokee laws, and her marriage license is now in my hands. This has a tendency to show that applicant was considered as a Cherokee by blood, although she was not enrolled as a member of the present Cherokee Nation.

Please consider this fact in connection with the above claim, and, if you desire this original marriage license at any time, I shall be glad to present the same.

I am 59 years of age; was born in Iowa. I claim Cherokee Indian blood through my grandmother on my father's side. My father was born in East Tennessee, Hawkins County. He left Tennessee about 1846 and settled in Iowa. I have never gotten any Indian money from the government nor did my father. He was married in Tennessee. My father never came to Territory. I never saw my father's parents. My father was a voter. I have heard of my Indian blood all my life. I tried for an allotment before the Dawes Commission but was turned down.

Henry Henson.

Henry Henson being first duly sworn deposes and says:

My name is Henry Henson, and I live in Kaufman County Tex. I am 86 years old. I was born in Rayburn County, Ga. We left Rayburn County in 1832, moved to Gilmer County, Ga. Lived there two years, and then in March 1834 we emigrated with about 500 other Cherokees to Ark. We had a years provisions, transportation, guns, ammunition, blankets furnished us. I was 11 years old when I left Ga. to come here. I claim to have Cherokee blood in my veins. I claim to have 1/8 Cherokee and my mother, Elizabeth Tally, 1/4. My mother died in 1862. She was born in 1804, in N.C. in the section occupied by the Cherokees. My father was a white man. I do not know why she was not enrolled in 1835, nor in 1851. My mother was not to my knowledge known by any other name. I never heard my mother say anything about any money being paid her in 1851 on account of the Indian blood. Probably because we did not know of the payment. I went to Talequah and stayed there a week for the purpose of putting in my claim for land, but nothing was ever done with it. My grandmother, who married a Talley, died some where about 1829. She was a 1/2 blood. Her mother, Betsy Walkinstick, a full blood, has only been dead about 20 years. I knew her well, and she could hardly talk the English Language. This same Betsy walkingstick has a son in Talequah, who is a fine lawyer. Susanna Walkinstick was a daughter of Betsy, and the half sister of my grandmother. I was recognized by the Cherokees as an Indian and also my mother, at the time we emigrated. We were not forced to come, but came of our own free will in 1834. We were living in Ark. at the time that the Government under Military escort drove the Eastern Cherokees West. Betsy and Susannah Walkingstick, and Susannah's husband, James, came with us before the enforced emigration. We left Ark. in 1841 and went to Tex. I never heard of Agent Drennen, not of any enrollment at that time.

Sir:

You claim the right to share in the distribution of the Eastern Cherokee Fund through your mother, Fannie Price, nee Gatlin, who you state lived in Tennessee in 1851. Why was she not enrolled with the Eastern Cherokees at that time?

Why was your grandfather, Lazarus Gatlin, not enrolled with the Eastern Cherokees in 1835?

Was your mother held as a slave; if so, was she owned by white people or Indians?

Was your mother an Old Settler?

Please reply promptly and refer to No. 16180.

My Great Grandfather Norton was a full blood
Cherokee Indian, and it strikes me that his
name was either William or John, But in this I
may be mistaken. If I could hear his name
recalled my memory might be refreshed.

Elmira A. Johnson being first duly sworn, deposes and says:

That I am 57 years of age. I claim my Indian descent through my father; my mother was a white woman and my husband is a white -man. My father claimed through his father. My father was born in Tennessee - the eastern part. Don't know what county it was. He moved from Tenn. to Mississippi when my father was a little boy. My father was 74 years old when he died. He died in 1895. My grandfather was 1/2 Cherokee and my father was 1/4 Cherokee. My father's father was born and raised in Tenn. My father was about 18 years old when my grandfather died. My grandfather never moved to Miss. He went to Alabama and died there. My great grandfather was a full blood Indian and he was a member of the tribe. Don't know his first name but think it was William. His last name was Norton. My father never lived with the Indians. Don't know whether my grandfather did or not. Don't know whether my father or grandfather were ever on any rolls or not. This is the only application I ever made. I am recognised as a white woman. None of my ancestors ever received anything from the government by reason of their Indian blood. From Miss. my father moved to Missouri when he was about 17 years old. My father went to California in 1852.

Madam:

You claim the right to share in the distribution of the Eastern Cherokee Fund through your father, who you state lived in Missouri in 1851. State why you and your father were not enrolled with the Cherokees at that time.

Where did your grandfather, John Norton, live in 1835 and why was he not enrolled with the Cherokees at that time?

Were any of your people held as slaves? If so, were they owned by white people or Indians?

Was your father an Old Settler?

Do you claim any Indian blood other than Cherokee?

Please reply promptly and refer to No. 16065.

Very respectfully,

Guion Miller,

Special Commissioner.

EWK/WEA Replying to the interrogatories by you propounded above say: If my recollection serves me right my father, James Norton, moved from Peoria Ill. to Missouri in about 1857. That year my mother died leaving 3 children one of whom died at an early age. leaving myself and Sister, Frances Brower now of Columbus Kans. We were then but little children. My father, James Norton, in that year or in 1862 went to California visited by the gold fever which must account for failure to enroll, our father remained in Cal. and we were left to the care of our uncle. I never

saw my father after his departure to California and never heard of him again until about the year 1896 or 1896 when he returned to buy sister at Columbus Kans and died there shortly thereafter. My father was a laboring man and did not give attention to matters of this character. This is the only explanation I can give why he and his children were not enrolled, if in fact he ever was.

2nd My grand father, John Norton, lived and died long before my time and is supposed to have been dead in 1838 but of this I am not certain but if living he must then have been in Ala from Tenn. And if he was not enrolled I can give no reason therefor, but it has been handed down to us that he was regularly enrolled

App. No. 16067. Misc.

Mary Jane Settle, --- being duly sworn, deposes and says:

My name is Mary Jane Settle. My age is 44 years. I live in this county. I was born in North Carolina and was raised here as I came out when quite small. I left there when about 6 years. I claim Cherokee blood. I was enrolled by Dawes Commission; my mother applied, but was rejected. I get my blood from my mother Nancy Gaines. She is dead. Had been dead a long time, about 15 years. She did not get the strip money; did not apply. She did not get the bread money. My mother was not a slave of white people. My father was not either. My parents emigranted themselves. I do not think the Goverment did pay their way. She got her blood from her mother, Annie Harris, mar- Gaines. She lived in Georgia, and came out here quite a long time ago when the Cherokees were coming. My grandfather was Frank Gaines. They were married in the East and wanted to come here to their people. It was between 1835 and 1851. My grandparents are enrolled, Annie Harris, or Annie Gaines and Frank Gaines. My mother told me that we were Eastern Cherokees. My father was colored, but he was never a slave that I know of. I have brothers and sisters: Martha, Settle, now Settle also; before marriage Gaines; Ellen Settle. My mother married a Settle, I married a Settle and my sister married a Settle; Annie Bell, Mary Jane, and John Wesley Settle. My aunts on my mother's side are Martha Timberlake, Jank Timberlake. I don't know any on my father's side, nor my grandparents. I think my people were enrolled in 1835 and 1851. If they were not enrolled I cannot give any reason. I heard them say something about being parties to the treaties of 1835-6 and 1846. My parents were married. My mother did not have any colored blood. I go with Indians and colored people, and white people. I attend a church where white and colored go together.

App. No. 16067.

February 13, 1908.

Mary Jane Settee,

Wagoner, Oklahoma.

Madam:

You claim the right to share in the distribution of the Eastern Cherokee Fund through your mother, who you state was a descendant of the Cherokees. Why was she not enrolled with the Cherokees in 1851? State why your grandparents were not enrolled in 1851 and in 1835. Was your mother considered an Old Settler? Were any of your people held as slaves; if so, were they owned by white people or Indians? Do you claim any Creek blood?

Please reply promptly and refer to No. 16067.

Very respectfully,

Special Commissioner.

Jasper Cook, being duly sworn, deposes and says:

My name is Jasper Cook; my post-office is Mt. Pleasant Texas; I was born in Jackson Co., Ala., in the year 1837; I am appearing as a witness for Jef Davis Cook; I am his great half-uncle; Mr. Cook gets his Indian blood through his father, Henry Cook, who was about one-half blood Cherokee; his father was born in Titus Co., Texas; his father was named Bill Cook and he was about three-quarters Cherokee; Bill Cook was born in Jackson Co., Ala. He moved to Texas in December 1849, previous to that time he always lived xxxxx in Alabama. The Cherokee Indians were the Indians that lived in that section and there were lots of them who refused to go west; Bill Cook xxxxxxxx xxxxxxxxxx had several brothers, namely John, Richard and Daniel; he also had several sisters, namely Sally, Jane, most of Bill Cook's brothers and sisters came west about five years before I did, and that was in 1844; they located in Texas; I know of no enrollment of the Cooks' nor of their ever receiving any money or land from the government. Bill Cook looked very much like an Indian and I know that some of the Cook's could talk the Indian language.

Dear Sir:-

I can not give any reason why Judy Wallawa was never enrolled with the Eastern Cherokees. She lived in Missouri in in 1835. She was my great-grandmother on mother's side.

I know of no reason why my parents or grandparents never enrolled with the Cherokees except that they just either refused or neglected to keep up their enrollment.

My mother was not held as a slave.

None of my people , that I know of, were ever enrolled with the Old Settlers.

You claim the right to share in the distribution of the Eastern Cherokee Fund through your mother, Polly, who you state was a descendant of Jesse Rich, a Cherokee.

You state that your mother lived in Clay County, Tennessee, in 1851. Why was she not enrolled at that time with the Eastern Cherokees?

Where were you living in 1851 and why were you not enrolled with the Eastern Cherokees at that time?

Were you held as a slave; if so, were you owned by white people or Indians?

Do you claim any ~~Cherokee~~ Indian blood other than Cherokee?

Dear sir:

In re claim No.16090, for right to participate in the fund arising from judgment of the court of claims in favor of the Eastern Cherokee, and in reply to your inquiry of a few days back I will say that I presume that the name of my grand-father, Robert Spear and father, Andrew Spear, did not appear upon the old roll was because of the fact that thay left the old Cherokee nation in North Carolina prior to 1835. I am informed that My grand-father, Robert Spear left North Carolina prior to 1835 for Alabama, but was stricken with rheumatism in Blunt County, Tenn., where He died. I can tell very little about why his name does not appear on the old roll, if it does not, but there is no question about our relationship to parties whose names are on the old rolls, and that we are members of the Eastern Cherokee tribe of Indians, as the Master's report will show. A great deal of our evidence was burned in the office of Chatman & Husburn, lawyers of Muskogee, Oklahoma, and many of the parties testifying are now dead. If we had those affidavits we could show the full particulars. District Judge Sherman Crier, of Blunt County, Tenn. knew the particulars about our family, and prepared most of the testimony obtained in Tenn. to be used in our case. We were not denied allotments because we were not Indians, but on technicaltics of law. My grand-father talked the Cherokee language and was recognized as a member of thetribe.

Respectfully yours

Geo Spear

James R. Spear being first duly sworn, deposes and says:

That I am 45 years of age and live in Lamar Co., Tex. I claim my Indian descent through my father; my mother was a white woman. My wife is a white woman. My father's father, Robert Spear, claimed the Indian. My father was born in N. C. but I don't know what part. He moved from there to Tenn., Knox Co., when he was a small boy. That was quite a while before I was born. My father died about 15 years ago and was about 70 years of age. My father never lived with the Indians as a member of the tribe, that I know of. I never did. I am recognised as part white and part Indian. I was raised in Knox Co., Tenn. It has been about fifteen years since I came west. My father nor his father were never on any rolls that I know of. They never received anything from the government that I know of. I applied to the Dawes Commission but I never received anything. They said it was because we did not reside over there in the Territory that we didn't get anything. I have been married twice. My first wife was Sarildy Johnson. Thos Spear who has filed application (35389) is my son by my first wife. His wife is a white woman. Geo. Spear is a brother of mine and he lives at Hartshorne, Okla. He has made application.

App. No. 16090 February 15, 1908.

George Spear,

Hartshorne, Oklahoma.

Sir:

You claim the right to share in the distribution of the Eastern Cherokee Fund through your father, Andrew Spear, who you state lived in Blunt County, Tennessee, in 1851. State why you and your father were not enrolled at that time with the Eastern Cherokees. Do you claim Indian blood through your mother? State why your grandparents on your father's side were not enrolled with the Eastern Cherokees in 1835.

Were you held as a slave; if so, were you owned by white people or Indians?

Please reply promptly and refer to No. 16090.

Very respectfully,

Special Commissioner.

(Under this head the applicant may give any additional information that he believes will assist in proving his claims.)

I voluntarily make this application for the share due my said wife because she was such, and also upon advices from the office that the right to the share in such cases had not as yet been decided, but my rights to same do not diminish on any account whatever, as the law recognizes me as the heir at law to the estate—

NOTE.—Answers should be brief but explicit; the words "Yes," "No," "Unknown," etc., may be used in cases where applicable. Read the questions carefully.

I solemnly swear that the foregoing statements made by me are true to the best of my knowledge and belief.
